Objections To Order  
Denying Motion To  
Reopen Case

Stephen Murphy, U.S. District Judge, denied my motion / demand to ~~not~~ reopen this case because he improperly, fraudulently, categorized my clearly submitted petition for habeas as a

physical

non-habeas civil lawsuit  
and therefore subject to a  
\$405.00 filing fee.

being for

In support of his  
position Murphy says its  
not a habeas petition  
because im not alleging  
im in custody in vio-  
lation of the Constitution,  
etc.

However, a habeas petition  
is not limited to just  
allegations of illegal ph-  
ysical restraint.

The Writ of Habeas  
Corpus is not solely  
for a liberty of phys-  
ical restraint as held  
by the Supreme Court  
of the United States. Me-  
yer v. Nebraska, 262 U.S. 390

also, Art. I, Sec. 9 of  
the U.S. Constitution  
does not allow the  
proposed limit of it

(1923).

Therefore, my Objections should be granted and the order denying my motion/demand to reopen this case reversed.

Sincerely,
